Report of Principal and School Improvement Council

McKissick Elementary, a student-centered Title I school, serves approximately 411 diverse students in grades K4 through grade 5. Prior to the 2013-2014 school year, there was a change in administrative leadership. Despite this change, our mission continues to provide a nurturing environment where students will receive educational opportunities that will encourage them to participate in and contribute to a rapidly changing global society. McKissick focuses on student achievement, positive home-school relations, and parent involvement.

McKissick's instructional program provides quality learning experiences for all students. School-level professional development activities are planned to meet this goal. Each teacher analyzes data and implements strategies to focus on student strengths and weaknesses for the purpose of raising student achievement. Teachers regularly meet to discuss results from PASS (Palmetto Assessment of State Standards), MAP (Measures of Academic Progress), TE21 (Training and Education in the 21st Century), and classroom assessments to determine strengths and weaknesses and to develop strategies to focus on student achievement. Teachers utilize this data in conjunction with the South Carolina Curriculum Standards and the Common Core State Standards to plan differentiated instruction to meet the needs of our students. Classworks and Calendar Math enrich the learning environment as powerful learning activities. Spring 2014 MAP results show improvements in both reading and math with continued opportunities for more growth.

McKissick has been recognized as a Title One Achievement Award winner as well as a two-time winner of the coveted Red Carpet Award. Our character education program focuses on Lifelong Guidelines and Life Skills, along with PBIS, sets common positive behavioral expectations for the bus, classroom, school, and community. Our students participate in service-learning projects such as canned food drives, Jump Rope for Heart, and others. Additionally, our school has been recognized five straight years as a Safe Kids Upstate school.

We strive to engage our entire community into our McKissick family. Parent nights are very well attended and are highlights of the school year. Partnerships with various organizations such as the Easley Baptist Medical Center, Zaxby's, YMCA, BB&T, Subway, local churches and area restaurants, support continuous improvement and foster improved student achievement. Our PTO, School Improvement Council and active volunteers support our instructional program. Along with 100% highly qualified teachers, our school has a curriculum specialist and two reading interventionists. Teacher and staff members participate in national, state and district professional development. Our average teacher ratio is 18:1.

The faculty and staff work diligently to provide each student with a quality educational program. However, student mobility continues to be a major concern for student achievement. Research has clearly shown the negative impact of student mobility on student progress. Our second challenge will be to continue to build upon the success of our parent involvement programs.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	83.7
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

McKissick Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
X	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
